Angus Hall
TRIBUTE

In a long list of tremendous Ontario stallions, Angus Hall was one of the very best the province has ever seen.

Of the nearly 1,800 horses the trotter sired – beginning at Glengate Farms and then spending the rest of his career at Winbak Canada – nearly 80 per cent raced, 120 of his offspring earned $250,000 or more, 32 topped the half-million-dollar mark, nine had earnings of $750,000 or more and six were millionaires: Peaceful Way, Majestic Son, Elusive Desire, Winning Mister, Frenchfrysnvinegar and Laddie. All told, Angus Hall's progeny earned nearly $111 million combined.

It's not surprising he was inducted into the Canadian Horse Racing Hall of Fame in 2019, three years before his death at age 26. Both of Angus Hall's parents, sire Garland Lobell and dam Amour Angus, are enshrined in both the Canadian Hall of Fame which celebrates its 50th anniversary in 2026, and the United States Harness Racing Hall of Fame.

As for Angus Hall, he was a true Ontario legend that furthered the breed.

OSS Breeders' Rewards PROGRAM

Breeders' Rewards

In 2025, more than $17 million was available in rewards and purses through the Ontario Sires Stakes and Breeders' Reward programs.

To be eligible for participation in the Ontario Sires Stakes program, offspring of registered Ontario Sires must be nominated and sustained to the program.

Eligibility & Payment

Registered Ontario Sires must be owned or leased by an Ontario resident and enrolled in the program by Jan. 15 of the breeding season. Late enrolments are accepted so long as the stallion has not bred any mares prior to enrolling. A total of $100,000 in breeders' rewards was distributed to the owners of leading Ontario Sires in 2025.

A total of $2.53 million was distributed in 2025 to breeders who enrolled their mares in the Ontario Resident Mare Program (ORMP) for the 2022 and 2023 foaling seasons. Those offspring earn the designation of Ontario Bred. The owner(s) or lessee(s) who enrolled the mare in the ORMP for that foaling year will receive the Ontario Bred Rewards.

For those mares enrolled in the ORMP program that produced Ontario Sired offspring, a total of $2 million in breeders' rewards was distributed on a pro rata basis according to their offspring's OSS earnings. An additional $400,000 was distributed to the breeders of the leading OSS performers who were Ontario Bred.

For those mares enrolled in the ORMP program whose offspring were either Ontario Sired or by sires standing outside Ontario, a total of $130,000 was distributed on a pro rata basis according to success in select open stake events, with an individual cap of 20% of the total available per horse.

Ontario Bred Rewards for OSS races are paid out in August and at the end of the year. Ontario Bred Rewards for open stakes are paid out at the end of the year.

Common Questions & Answers

STALLION ELIGIBILITY

Q: Are there any additional fees associated with stallions standing stud in the OSS program?

A: Stallions standing stud in the Ontario Sires Stakes program must be registered with *Standardbred Canada* and/or the *United States Trotting Association (USTA)*. Registration fees for Standardbred Canada and the USTA can be verified through their websites and should be checked yearly to ensure proper registration is acquired.
Standardbred Canada Stallion Registration Information
USTA Breeding Information

Q: What is a Levy Fee and why is it a required payment when registering a stallion?

A: A levy of 50 per cent of the highest advertised stud fee, with a minimum of $500, is assessed on stallions registering with the Ontario Sires Stakes program. If a stallion's advertised stud fee is in USD, the levy is assessed in USD. Levies and stallion registration fees contribute to the annual Standardbred Improvement Program Funding directed toward Ontario Sires Stakes purses and breeders' rewards.

Q: Do stallions standing stud in Ontario receive reward bonuses?

A: Stallions registered with the Ontario Sires Stakes program are eligible for Leading Stallion Rewards based on the OSS earnings of their eligible two and three-year-old progeny. The Leading Stallion rewards for each age and gait are distributed annually in December.

Q: Can an out-of-province resident stand a stallion in Ontario?

A: An out-of-province resident can stand a stallion in Ontario if the stallion is leased to an Ontario resident. The lease must be at least one year, and the stallion must stand the entire Northern Hemisphere stud season in the province of Ontario. A copy of the lease agreement must be filed with Standardbred Canada and can be done so by contacting a Standardbred Canada Member Services representative. The lessee must be licensed with the Alcohol and Gaming Commission of Ontario. Information about AGCO licenses can be found at
AGCO Licenses Applications.

Q: If a stallion relocates to another jurisdiction, but offspring are still racing in the OSS program, is he still eligible for Leading Stallion rewards?

A: To receive a reward, a stallion must currently reside in Ontario. As an example, if a stallion was the leading money earning sire of 2-year-old trotters in 2020, then the stallion must have stood in the province in 2020. If a leading money earning stallion no longer resides in the province, the next highest money earning stallion which meets the criteria will receive the reward. This reward is payable to the stallion owner/syndicate.
