Notice to the Industry

2026 Stallion Enrolments

Stallion Owners are reminded that 2026 Stallion Applications are due January 15, 2026 in order to avoid late fees. Stallions must be enrolled in the Quarter Horse Racing Industry Development program for their offspring to be designated as Ontario Sired.

Active (breeding) stallions may enrol up to January 15, 2026 at no fee. After January 15, there will be a \$200 late fee to enrol an actively breeding stallion. This includes breeding with frozen semen from gelded/deceased stallions.

Inactive stallions (not breeding in 2026) may enrol up to 7 days after the end of racing to be eligible for program benefits such as Stallion Awards.

An Owner must be enrolled in the Program in order to enroll any horse, so an Owner Application should accompany the Stallion Application.

An updated Application to Accreditate an Ontario Stallion form is available on the Ontario Racing website, www.ontarioracing.com.
