There is no extra charge attached to adding the "Program" category to an existing AGCO licence. If the only category on an AGCO licence is the "Program" category, a \$20 fee will apply.

For first time applications for AGCO licences, an additional \$20 fee will apply.

Contact the AGCO at 416-326-8700 or 1-800-522-2876, by email at customer.service@agco.ca or online at www.agco.on.ca

2. PARTICIPATING IN THE PROGRAM

In order to participate in the Thoroughbred Improvement Program for 2020 and future years:

STALLION OWNERS (OR STALLION LESSEES)

Must:

- Have a current AGCO licence;
- Register the stallion in the Program as an ONTARIO SIRE for each year (breeding season) in which he is eligible;
- Pay all required fees to the Program attached to registering an ONTARIO SIRE.

Prior to 2010, only an ONTARIO RESIDENT stallion owner or an ONTARIO RESIDENT lessee of a stallion was eligible to register a stallion as an ONTARIO SIRE. Effective for the 2010 breeding season and forward, non-ONTARIO RESIDENT owners or lessees are eligible to register a stallion provided:

- The Owner or Lessee holds a current AGCO licence;
- There is a designated AUTHORIZED AGENT, who is an ONTARIO RESIDENT and holds a current AGCO licence. The AUTHORIZED AGENT is the party responsible for the stallion (such as the stallion manager, stallion syndicate manager, farm manager, etc.) while the stallion is standing in Ontario. The AUTHORIZED AGENT can complete the stallion registration process.

BREEDERS

Must:

- Have a current AGCO licence;
- Declare a mare's eligibility as an ONTARIO RESIDENT MARE for each foal year in which she is eligible along with providing a copy of the foal's CTHS Certificate of Registration.

FOAL OWNERS

Must:

- Register foals with the CTHS according to all CTHS requirements for foal registration. Upon receipt of a copy of the foals CTHS certificate, Ontario Racing will record the foal's status as ONTARIO SIRE and/or REGISTERED ONTARIO BRED in the horse's record.

2.1 Registering a Stallion as an Ontario Sire

The Ontario Sire program provides benefits to the owners of ONTARIO SIREs through Stallion Awards, and to the owners of ONTARIO SIREd horses through the Ontario Sires Stakes (OSS) and the overnight restricted racing programs. A horse that is the progeny of an ONTARIO SIRE shall be recorded with Ontario Racing as ONTARIO SIREd.

STALLION ELIGIBILITY

An ONTARIO SIRE is a stallion that has been nominated to, and accepted by, the Program for the breeding year. To be eligible for registration:

- a) The stallion must stand his entire NORTHERN HEMISPHERE STUD SEASON in the Province of Ontario.
- b) If the stallion is leased, either a Stallion Lease Declaration form or a copy of the actual lease, indicating relevant information and signatures, must be submitted to the Ontario Racing.

Verification of ownership (or leasing) of the stallion will be confirmed by Ontario Racing. Where registration documentation verifying the ownership of a stallion is in the process of being transferred, and Ontario Racing is otherwise unable to verify the ownership of a stallion, other proof of ownership satisfactory to the Ontario Racing must be submitted with the application for registration.

If an ONTARIO SIRE is sold, the Ontario Racing must be notified of the sale in writing, by the previous owner, within thirty (30) days of the sale. Copies of all transferred registration documents and completed registration forms must be filed with Ontario Racing.

For stallions under lease, where any of the rights of the lessee are transferred to another party, the Ontario Racing must be notified within thirty (30) days of the transfer.

Stallion owners, lessees, and AUTHORIZED AGENTS thereof signing the 2020 Thoroughbred Stallion Registration form must hold a current AGCO licence.

An AUTHORIZED AGENT may sign on behalf of an owner or lessee, provided that:

- The owner or lessee holds a current AGCO licence;
- The AUTHORIZED AGENT holds a current AGCO licence;
- The AUTHORIZED AGENT is an ONTARIO RESIDENT;
- The appropriate AUTHORIZED AGENT documents are recorded on file with Ontario Racing.

To designate an AUTHORIZED AGENT, the BREEDER must submit a completed Appointment of Authorized Agent form to the Program Administrator.

Stallion owners or lessees who do not hold a current AGCO licence in any other category may apply for a "Program" Licence, which is available for a fee.

Ontario Racing, at its absolute discretion, may waive the breach of any stallion condition, which it does not consider prejudicial to the best interests of the Thoroughbred Improvement Program or the Ontario Sires Stakes program.

DEADLINES FOR STALLION REGISTRATION

A Thoroughbred Stallion Registration form for all stallion owners and managers is made available by the end of November each year on the Ontario Racing website for the following year's breeding season. This form must be completed and returned by January 15th of that breeding season for the individual stallion's progeny produced from that season to be eligible for ONTARIO SIRE status (and all relevant benefits), and for the stallion to be eligible for the Stallion Awards program.

A list of eligible ONTARIO SIREs will be published as soon as possible after January 15th. The Program currently maintains the annual list of eligible ONTARIO SIREs, please see www.ontarioracing.com.

A stallion is ineligible for registration as a 2020 ONTARIO SIRE if it breeds or has bred any mares during the 2020 calendar year prior to the approval of the application.

FEES FOR STALLION REGISTRATION

The applicable fees for registering a stallion as an ONTARIO SIRE are:

- \$200 for a New Registration ((if not registered as an ONTARIO SIRE in the previous year (2019) OR,
- \$100 for a Renewal Registration ((for stallions registered as an ONTARIO SIRE in the previous year (2019).

LATE REGISTRATION

To register a stallion after January 15th, the required Registration fee is \$500 (for either "New" or "Renewal" registrations).

NOTE: The Program cannot guarantee the inclusion of the names of late registered stallions on the published stallion lists.

HOW TO REGISTER A STALLION

Registration of a stallion as an ONTARIO SIRE for the current breeding season requires completion of the 2020 Thoroughbred Stallion Registration form. Completed forms including payment of all required fees must be submitted by the required deadline to:

ONTARIO RACING
Thoroughbred Improvement Program
 555 Rexdale Boulevard, PO Box 156
 Toronto, ON M9W 5L2
 Telephone: 416-675-3993 ex 2633 | Fax: 416-213-2104
 Email: tbprogram@ontarioracing.com

Any applications received by mail that have no postmark, or have an unreadable postmark on the envelope, will only be accepted up to January 15th. After that date the Late Registration Fee of \$500 will apply. Therefore, to avoid being penalized for the failure of the postal service to properly postmark the envelope carrying the application, it is strongly recommended that these materials be sent by registered mail.

Failure to submit the appropriate registration fee along with the application will result in the foals born to that stallion in 2021 being ineligible for ONTARIO SIRE status (and all relevant benefits).

Copies of the 2020 Thoroughbred Stallion Registration form are available on the Ontario Racing website at www.ontarioracing.com.

2.2 Qualifying a Mare as an Ontario Resident Mare

The Registered Ontario Bred Program provides benefits to owners through the Registered Ontario Bred Restricted Racing Program and the Registered Ontario Bred Purse Bonus Program, and to the BREEDER(S) of REGISTERED ONTARIO BREDS through Breeders Awards.

A REGISTERED ONTARIO BRED is a horse, foaled in the Province of Ontario, out of an ONTARIO RESIDENT MARE, registered with the CTHS.

For a horse to be declared a REGISTERED ONTARIO BRED:

- a) The horse's dam must have been declared as an ONTARIO RESIDENT MARE for the birth year of the foal and meet all eligibility requirements with Ontario Racing.
- b) The foal must be registered with the CTHS.
- c) A copy of the foal's CTHS Certificate of Registration must be submitted with the Ontario Resident Mare Declaration form

FOALS BORN IN 2020

Dams of foals born in 2020 can be qualified as ONTARIO RESIDENT MARES through completion of a 2020 Ontario Resident Mare Declaration form and by submitting a copy of the foal's CTHS Certificate of Registration.

Foals of 2007 or earlier will be considered to have REGISTERED ONTARIO BRED status if they are registered Canadian Bred and foaled in Ontario. Thoroughbreds foaled in Ontario, whose sires and dams are recorded in a stud book approved by Ontario Racing, are eligible for Canadian Registration. All must have been foaled in Ontario, Canada and have been registered as such with the Canadian Thoroughbred Horse Society, National Office.

For foals born in 2008-2019, please refer to the eligibility in the Program Criteria book published in the corresponding year. (Please contact ONTARIO RACING, Thoroughbred Improvement Program for copies.)

**ONTARIO RESIDENT MARE ELIGIBILITY**

For 2020, a mare can qualify as an ONTARIO RESIDENT MARE by meeting at least one of the five following criteria:

1. Resident in the Province of Ontario by December 1, 2019 and remained in Ontario until foaling:
 - The date of the mare's arrival in Ontario must be provided on the 2020 Ontario Resident Mare Declaration form. The Program Administrator may request that the BREEDER provide transportation and/or border crossing documents to validate the entry date.
2. Resident in the Province of Ontario for 60 consecutive days surrounding date of foaling in Ontario:
 - The date of the mare's arrival in Ontario must be provided on the 2020 Ontario Resident Mare Declaration form. The Program Administrator may request that the BREEDER provide transportation documents to validate the entry date;
 - The Program Administrator may request that the BREEDER provide documentation to verify the mare's residency period in Ontario – such documentation to include copies of records for the mare such as invoices for veterinary services, farrier (blacksmith) services, or boarding services during the declared residency period;
 - If there are special conditions related to an emergency (or health issues) that require the mare to leave the Province, an application must be submitted to the Program Administrator for an exemption from completing the remaining days of residency.
3. Bred back to an ONTARIO SIRE registered with the Program in 2020:
 - The last date bred as would be reported on a Report of Mares Bred filed with The Jockey Club must be provided on the 2020 Ontario Resident Mare Declaration form.
4. Purchased or RNA (Reserve Not Attained) at an Ontario Racing recognized sale or auction and arrived within the boundaries of Ontario no later than thirty (30) days after the date of purchase (or RNA at sale):
 - The name of the sale, sale date and sale hip number of the mare must be provided;
 - The date of the mare's arrival in Ontario must be provided on the 2020 Ontario Resident Mare Declaration form. The Program Administrator may request that the BREEDER provide transportation documents and/or border crossing documents to validate the entry date.

It is the responsibility of the Program participant to contact Ontario Racing to confirm that the sale in which the mare is entered is an Ontario Racing recognized sale.

5. The mare was purchased in a bona-fide private sale, arrives in Ontario within thirty (30) days of the date of transaction and remains in Ontario until foaling:
 - The date of the mare's arrival in Ontario must be provided on the 2020 Ontario Resident Mare Declaration form. The Program Administrator may request that the BREEDER provide transportation documents and/or border crossing documents to validate the entry date;
 - A copy of the purchase/transaction receipt (a bill of sale), clearly indicating the date of the transaction, must be provided. The purchase price may be blacked-out on the document; OR,
 - A copy of the mare's registration papers must be submitted with the 2020 Ontario Resident Mare Declaration form as proof of ownership.

Failure to provide supporting documentation when requested by the Program Administrator could result in the mare being ineligible for ONTARIO RESIDENT MARE status and her offspring being ineligible for REGISTERED ONTARIO BRED status.

By application to the Program Administrator, special considerations may be granted.

Decisions of the Program Administrator may be appealed and will be heard by the Program Appeals Adjudicator in a public meeting at which the breeder, as well as other interested stakeholders, may present in support of the issue. There is no appeal of the Program Appeals Adjudicator decision on Program matters.

DEATH OF THE MARE

In the event of the death of the mare prior to completion of the required residency period, a foal from the deceased mare would be eligible for REGISTERED ONTARIO BRED status through application for special consideration by the Program Administrator.

HOW TO QUALIFY AN ONTARIO RESIDENT MARE

Only the BREEDER or BREEDER'S AUTHORIZED AGENT can qualify the mare by signing and submitting a 2020 Ontario Resident Mare Declaration form along with submitting a copy of the foal's CTHS Certificate of Registration. If an AUTHORIZED AGENT is signing the forms on behalf of the BREEDER, the BREEDER and AUTHORIZED AGENT must both hold a current AGCO licence. To designate an AUTHORIZED AGENT, the BREEDER must submit a completed Appointment of Authorized Agent form to the Program Administrator.

3. PROGRAM DEFINITIONS

The following definitions will apply for the Thoroughbred Improvement Program for the 2020 Program year. A horse's status is determined by the criteria in effect in its birth year. A horse's status is retained for its entire racing career.

AUTHORIZED AGENT — A person who has been designated by a BREEDER, stallion owner or lessee as a responsible party who may act on behalf of the BREEDER, stallion owner or lessee. A person can be designated as an AUTHORIZED AGENT IF:

- He or she holds a current AGCO licence; AND,
- He or she is an ONTARIO RESIDENT.

An AUTHORIZED AGENT may act on behalf of the BREEDER, stallion owner or lessee for the Thoroughbred Improvement Program provided that the appropriate Horse Improvement Program Authorized Agent documents are on file with the Program Administrator.

BREEDER OF RECORD (BREEDER) — The individual, partnership, syndicate, or corporation who is the Owner of the dam at the time of foaling.

CANADIAN RESIDENT — means a person whose permanent home or principal home is in Canada and who resides at that home for no less than 183 days in a calendar year. A stable, farm, corporation or limited partnership, as an ownership group, will be considered a CANADIAN RESIDENT, IF:

- The primary business location for the stable, farm, limited partnership, or the registered head office for the corporation is located in Canada; AND,
- At least one member of the stable, farm, corporation or limited partnership maintains a permanent home or principal home in Canada and who resides at that home for no less than 183 days in a calendar year.

Should any dispute or disagreement arise, the person (or entity) bears the onus of proving that they fall within the meaning of CANADIAN RESIDENT.

DUAL HEMISPHERE STALLION — A stallion that breeds mares situated in both the Northern and Southern Hemispheres during the same calendar year. A DUAL HEMISPHERE STALLION is subject to special rules pertaining to its NORTHERN HEMISPHERE STUD SEASON, as noted in the definition below.

LEASES — If a stallion is leased, the term of the lease must incorporate the stallion's entire NORTHERN HEMISPHERE BREEDING SEASON for the Program year. A Stallion Lease Declaration Form, or a copy of the actual lease, must be filed with the Program Administrator. Provided that the Program Administrator is advised by the original lessor (owner) within thirty (30) days, a lease may be transferred to another party for the unexpired term of the lease, provided that the stallion continues to stand in Ontario and the new lessee:

- Holds a current AGCO licence; AND,
- If not an ONTARIO RESIDENT, has a designated AUTHORIZED AGENT who is an ONTARIO RESIDENT and who also holds a current AGCO licence.

If a mare is leased at time of foaling, the lessee is the BREEDER OF RECORD (BREEDER) of the foal. As the BREEDER, the lessee must comply with the Program's eligibility criteria and is responsible for the submission of all paperwork required or requested by the Program. The records of The Jockey Club and the records of the CTHS, the recognized registry for Thoroughbred horses in Canada, will be the sources of verification and validation for any documentation surrounding registrations.

NORTHERN HEMISPHERE STUD SEASON — That period during each calendar year, commencing when the stallion breeds his first mare situated in the Northern Hemisphere, and ending the day the stallion breeds his last mare situated in the Northern Hemisphere. During this entire period, the stallion must remain situated in Ontario to remain eligible for ONTARIO SIRE status. DUAL HEMISPHERE STALLIONS must remain situated in Ontario for at least 183 consecutive days. Time spent by DUAL HEMISPHERE STALLIONS in quarantine in North America can be counted towards their requirement to be in Ontario for 183 days. For breeding stallions that are also racing, or in the event of a medical emergency, Ontario Racing, at its sole discretion, may waive the requirement to remain situated in Ontario.

ONTARIO FOALED — A foal born in the Province of Ontario and registered with the CTHS. ONTARIO FOALED horses registered with the CTHS born in 2007 or earlier are considered to be REGISTERED ONTARIO BRED.

ONTARIO SIRE — A stallion registered with the Program, standing in the Province of Ontario for the entire NORTHERN HEMISPHERE STUD SEASON of the year of record.

ONTARIO SIRE — A foal sired by a stallion that is recognized by the Thoroughbred Improvement Program as an ONTARIO SIRE in the year of conception. Only foals conceived as a result of a mating between a mare in the Northern Hemisphere and a recognized ONTARIO SIRE during the NORTHERN HEMISPHERE STUD SEASON are eligible to be registered with Ontario Racing as ONTARIO SIRE. Only ONTARIO SIRE foals are eligible to be nominated to the Ontario Sires Stakes.

ONTARIO RESIDENT — A person whose permanent home or principal home is in Ontario and who resides at that home for no less than 183 days in a calendar year.

A stable, farm, corporation or limited partnership, as an ownership group, will be considered an ONTARIO RESIDENT, IF:

- The primary business location for the stable, farm, limited partnership, or the registered head office for the corporation is in the Province of Ontario; AND,
- At least one member of the stable, farm, corporation or limited partnership maintains a permanent home or principal home in Ontario and resides at that home for no less than 183 days in a calendar year.

Should any dispute or disagreement arise, the person (or entity) bears the onus of proving that they fall within the definition of ONTARIO RESIDENT.

ONTARIO RESIDENT MARE – A broodmare qualified by the Program which foals in Ontario during the current foaling year and complies with any one of the following criteria:

1. Resident in the Province of Ontario by December 1st of the conception year; OR,
2. Resident in the Province of Ontario for 60 consecutive days surrounding date of foaling in Ontario; OR,
3. Bred back to an ONTARIO SIRE registered with the Program in the year of foaling; OR,
4. Purchased, or RNA (Reserve Not Attained) at an Ontario Racing recognized sale or auction, and arrives within the boundaries of Ontario no later than thirty (30) days after the date of purchase or RNA at sale; OR,
5. The mare was purchased in a bona-fide private sale, arrives in Ontario within thirty (30) days of the date of transaction and remains in Ontario until foaling.

Notwithstanding the requirements above, special considerations may be granted by application to the Program Administrator .

4.6 Fort Erie Program

FORT ERIE SALES CREDITS AND OWNERS BONUS PROGRAM

In conjunction with Fort Erie Race Track, the Thoroughbred Improvement Program offers a Sales Credit and Owners Bonus program for top end claiming races and allowance races at Fort Erie as follows:

CLAIMING RACES

\$15,000 - \$20,000 Claiming	\$1,000 Sales Credit
\$ 7,500 - \$14,000 Claiming	\$ 750 Sales Credit

Sales Credits will be issued to the Owners of the REGISTERED ONTARIO BRED winners at the above listed claiming levels. These credits will be cumulative and must be used at a CTHS Ontario sale within one calendar year after earned.

ALLOWANCE RACES

A \$1,000 (winner only) Owners Bonus is available to the winners of all Fort Erie allowance races, provided the winner is a REGISTERED ONTARIO BRED at the time of the race. In optional claiming races, only those horses running without a claiming price are eligible.

Owners Bonuses will be issued to the Owner of the REGISTERED ONTARIO BRED winner and will be distributed on or around the 15th day of the following month.

ONTARIO SIRED PURSE BONUS

There will be a 20% purse bonus for ONTARIO SIRED horses at Fort Erie Race Track, paid out like the purse, in all open races. The only condition is that a horse can only be claimed once, regardless of where it was claimed, in any given calendar year, to be eligible for this bonus. The horse automatically becomes ineligible once claimed for the second time. All horses commence each racing year as eligible for said bonus until they have been claimed for a second time whereby they become ineligible.

4.7 Restricted Overnight Racing

For 2020, \$5,240,800 is available for Restricted Overnight racing at Woodbine Racetrack. These races will be based on the following:

- Limited to ONTARIO BRED and/or ONTARIO SIRED horses which are not eligible for the ONTARIO BRED Bonus
- Once an ONTARIO SIRED horse has been claimed, it is eligible for the Ontario Sired bonus when competing for claiming at \$19,000 or more.
- ONTARIO SIRED horses running protected in maiden OS/OPT. \$40,000, NW2 OS/OPT. \$40,000 or NW3 OS/OPT. \$40,000 will be ineligible for Ontario Sired bonus.
- Once an ONTARIO BRED horse has been claimed, the horse is excluded from ONTARIO BRED bonus for the remainder of its racing career.

The money for Restricted Overnight racing at Fort Erie Race Track has been reallocated to the Fort Erie Ontario Sired Purse Bonus. If the total Bonus payments are less than \$393,200, Ontario Bred and/or Ontario Sired restricted races may be carded.

4.8 Breeders Awards

The Thoroughbred Improvement Program pays Breeders Awards to the BREEDER OF RECORD of:

- REGISTERED ONTARIO BREDS and ONTARIO SIRED horses racing in Ontario.
- REGISTERED ONTARIO BREDS and ONTARIO SIRED horses racing in Graded and Open Stakes races within Ontario;
- REGISTERED ONTARIO BREDS and ONTARIO SIRED horses racing outside of Ontario in Graded and Open Stakes races within North America (minimum purse of \$75,000).
- ONTARIO SIRED horses racing in all race types world-wide with top earnings.

For 2020, there is a cap of \$200,000 in Breeders Awards available to be distributed to any one individual BREEDER OF RECORD. The BREEDER OF RECORD eligible to receive Breeders Awards is the individual, partnership, syndicate or corporation who is the owner of the dam at the time of foaling.

SPECIAL CIRCUMSTANCES

Awards will be distributed to eligible BREEDER(S) OF RECORD as listed on the actual Registration Papers of the horse, unless the Program Administrator is otherwise notified in writing by all parties listed as BREEDER(S) OF RECORD. If the BREEDER OF RECORD is deceased, the awards will be made payable to the Estate of said BREEDER, unless the Program Administrator is otherwise notified in writing by the party legally authorized to administer the BREEDER'S estate.

In the event a race ends in a dead heat for 1st to 3rd place, the award will be split 50/50 (like the purse) to both BREEDERS, provided that both are eligible. If only one of the parties is eligible, the entire award will be distributed to the one eligible BREEDER.

BREEDERS AWARDS – RACING IN ONTARIO

The BREEDER OF RECORD is eligible for Breeders Awards for racing in Ontario as outlined below.

To qualify for the REGISTERED ONTARIO BRED portion of the Breeders Award, foals of 2007 and earlier must have been registered as a Canadian Bred foaled in Ontario. If the horse was foaled in Ontario but not registered through the CTHS, then the BREEDER is not eligible for an award. For foals of 2007 and earlier, if the BREEDER registers the horse as a Canadian Bred after the race has been run, the horse is not eligible for that race's Breeders Award but will be eligible for Breeders Awards earned on races after its registration as a Canadian Bred.

For foals of 2008 and future years, only eligible REGISTERED ONTARIO BRED and ONTARIO SIRE horses will earn Breeders Awards.

To receive the ONTARIO SIRE portion of the Breeders Awards, the eligible horse must have been sired by an eligible ONTARIO SIRE in the year of conception and the horse must be a REGISTERED ONTARIO BRED. Breeders Awards earned for racing in Ontario are paid monthly and issued on the 15th of the month following the month in which the award was earned.

For racing in Ontario, Breeders Awards are payable for:

- Claiming races with claiming prices of \$10,000 and below Winner Only
- Claiming races with claiming prices of \$15,000 of higher 1st through 3rd
- Allowance races run in Ontario 1st through 3rd
- Eligible Ontario Stakes races 1st through 3rd

2020 BREEDERS AWARDS DISTRIBUTION (ONTARIO BRED / ONTARIO SIRE)

- In order to receive Breeders Awards, the horse must be a REGISTERED ONTARIO BRED.
- 1st place bonuses of the Canadian Triple Crown, Triple Tiara, Princess Elizabeth & Coronation Futurity will not be counted towards the \$200,000 cap on Breeders Awards.
- Horses aged 7 and upwards are ineligible for Breeders Awards unless running at Allowance level races and/or Stakes level races.
- Unpaid surplus funds remaining from the Breeders Awards will be disbursed to the breeders at the end of the season. Amounts paid out to breeders are based upon the percentage of total awards earned throughout the 2020 racing season.

As of 2007, Breeders Awards are paid at year-end to Graded and Open Stakes winners (1st through 3rd) outside of the Province of Ontario within Canada and the United States.

For 2020, \$150,000 in out-of-province Breeders Awards will be paid to all Black Type winners (1st through 3rd) of Graded Stakes and Open Stakes with a minimum purse of \$75,000. Awards will be distributed to each eligible recipient by dividing the \$150,000 by the number of points earned, up to a maximum not to exceed the equivalent award for races within Ontario. These awards are considered as Breeders Awards and are, therefore, included in the tabulation of the cap of \$200,000 to any individual BREEDER. The point system is as follows:

Race Type		1st	2nd	3rd
Grade 1	ON	1200	600	300

The OS Reward of Excellence Program awards do not count towards the \$200,000 cap on Breeders Awards.

4.9 Mare Purchase Program

The Mare Purchase Program offers a strong incentive to breeders to further invest in the breeding industry in Ontario.

The MPP applies to in-foal mares with progeny of 2021 purchased at a 2020-2021 Ontario Racing recognized public auction. The list of Ontario Racing recognized public auctions will be included in the Mare Purchase Program Application form, which will be available on the Ontario Racing website by the of October RNA's will not be eligible; must be a bona fide sale.

Purchasers receive 50% of the purchase price to a maximum of \$15,000 CAD. In-foal mares must be purchased for a minimum purchase price of \$15,000 USD up to a maximum purchase price of \$100,000 USD to qualify. There is a capped maximum distribution of \$50,000 CAD to any one individual, partnership, corporation or other ownership group. There is an added \$2,500 CAD incentive for every mare bred back to a REGISTERED ONTARIO SIRE in the 2021 breeding season, paid upon proof of live foal. The total funding for this program is \$500,000 CAD and will be paid on a "first come, first served basis".

To be eligible to receive funds through this program, the individual, partnership, corporation or other ownership group must be a ONTARIO RESIDENT.

More information about the Mare Purchase Program can be found on the Ontario Racing website: www.ontarioracing.com

5.0 Stallion Awards

The Thoroughbred Improvement Program pays Stallion Awards to the owner (or lessee) of a recognized ONTARIO SIRE.

For 2020, \$320,000 has been allocated for distribution through the Ontario Stallion Awards Program. It should be noted that this program and annual budgets are subject to annual review and revision.

5. THE HORSE IMPROVEMENT PROGRAM

The Horse Improvement Program (HIP) is a racing and breeding incentive program that was established in 1974. The Program plays a direct role in increasing employment in the racing industry, helping Ontario farms remain economically stable and encouraging ownership in Ontario-produced horses.

The purpose of the Horse Improvement Program is:

- To benefit the Ontario racing industry in general and to grow the industry in a sustainable and responsible way;
- To support the Ontario breeding sector; AND,
- To promote participation in the Ontario Horse Improvement Program.

The Horse Improvement Program is funded through a pari-mutuel tax reduction on wagering.

ROLES AND RESPONSIBILITIES

The Program Administrator

Ontario Racing, as the Program Administrator for the Horse Improvement Program, is responsible for the development and implementation of all Program elements to achieve the identified goals and objectives of the Program.

Ontario Racing is responsible for approving all Program criteria, eligibility requirements and rules and procedures surrounding implementation and administration of the Program. As Program Administrator, Ontario Racing has responsibility for:

- Ensuring the integrity of all payments to eligible recipients of HIP incentive benefits;
- Setting targets (expected performance outcomes and results) for Program expenditures;
- Developing a method for evaluating and measuring the results of Program implementation; AND,
- Reporting on Program performance to industry and government.

The Horse Improvement Program includes incentives and benefits for breeders, stallion owners, and owners of active racehorses. Ontario Racing, as Program Administrator, is responsible "To ensure that all those eligible are paid and, that all those paid are eligible".

Ontario Racing is committed to working with industry stakeholders to develop a process for annual review of Program performance and outcomes, a process for involving industry stakeholders in revisions to Program elements, and long-term strategic planning for the Program. A HIP Administration Committee is in place for the Thoroughbred, Standardbred, and Quarterhorse sectors. These groups are made up of industry stakeholders who are responsible for:

- Working with the Program Administrator to review the annual performance of HIP in the context of the identified goals and objectives of the Program;
- Providing recommendations (and input) to the Program Administrator on the annual budget and Program elements for the next year;
- Providing recommendations to the Program Administrator on the annual Program eligibility requirements, and Program Criteria documents;
- Developing recommendations on Program targets and benchmarks;
- Developing recommendations to the Program Administrator on program changes for future years, that reflect changes in the business environment for the Ontario breeding and/or racing sector; AND,
- Developing recommendations on marketing and communication programs surrounding HIP.

Ontario Racing has specific responsibilities for:

- Recording and publicizing a list of horses that have been registered with, and accepted by, the Program as ONTARIO SIREs for each breeding year;
- Recording eligible ONTARIO RESIDENT MARES for each foaling year;
- Authorizing the designation of a foal's (horse's) lifetime status for HIP benefits on registration records or certificates.
- Informing all racetracks of a horse's eligibility for racing incentives that are funded by HIP and distributed through purse accounts; AND,
- Promoting the Horse Improvement Program on its website to support investment in Ontario's breeding and racing sectors.

Ontario Racing will partner with pedigree registries, Ontario racetracks, and industry associations to administer the Horse Improvement Program.

All declarations signed on Program application forms are legally binding statements. Any individual, partnership, corporation or other ownership group or corporate entity enrolled in the Program who violates the conditions or intent of the Program, will be subject to investigation, judicial review and potential sanctions and disciplinary action, as may be deemed appropriate by Ontario Racing.

Ontario Racetracks

One of the goals of the Horse Improvement Program is to encourage the adoption of common definitions and terminology to be shared by the Program Administrator, the racetracks and the breeder's and horseperson's associations in Ontario.

Where race conditions in Ontario restrict eligibility to Ontario progeny, or where additional purse incentives are available for Ontario progeny, it is expected that the HIP definitions for ONTARIO SIREd and REGISTERED ONTARIO BRED will apply to such races.

Where HIP benefits are distributed to eligible owners of active racehorses through purse account payments, Ontario Racing will provide Ontario racetracks validation for eligibility for such incentives.

When applicable, Ontario racetracks will be responsible for:

- Validating eligibility for HIP restricted races;
- Validating eligibility for HIP funded purse incentives to owners;
- Reporting race entries and race results for HIP funded races, or races that receive HIP funded bonuses or added money to Ontario Racing;
- Reporting the results of races that impact a horse's future eligibility for Program benefits (i.e. claiming races) to Ontario Racing; AND,
- Other racing activity reports required to support Program performance reporting to industry and government.

Industry Association Partners

Ontario Racing will partner with industry associations wherever possible to maximize the effective administration of the Horse Improvement Program and the value of HIP expenditures. Ontario Racing may enlist industry associations to provide services that support the administration of the Program. The provision of Program services by a designated industry association will operate under terms specified in a contractual agreement between Ontario Racing and the industry association.

6. FREQUENTLY ASKED QUESTIONS

What happens if the criteria changes for REGISTERED ONTARIO BRED, and ONTARIO SIRE status?

A horse's status is recorded in its registration records with Ontario Racing, based on the criteria in effect in its birth year. This status is maintained for the horse's full racing career.
